

## ASX Announcement

**ASX Code: AMU**

29 January 2010

### **HALLETTSVILLE WELL COMMENCES DRILLING**

Amadeus Energy Limited (AMU) is pleased to announce that the Smolik 'A' No.3 exploration well on the Hallettsville project in Lavaca County, Texas commenced drilling on 28 January 2010.

It is anticipated that it will take approximately 30 days for the well to reach total depth of approximately 11,300 feet to test Midcox Sands.

The Smolik 'A' No.3 well is targeting gross reserves of 300,000 barrels of oil and 10 BCF of gas. Amadeus owns a 24.75% working interest in this well.

**Amadeus Energy Ltd** is an ASX listed energy company that generates value for shareholders by increasing oil and gas production and growing reserves through the acquisition and development of existing long-life on-shore oil and gas fields and through exploration activity. This is achieved by acquiring properties that have significant development and improvement potential and by investing in a combination of low, medium and high-risk exploration activity.
